Centennial Panel Profile and Specifications

Wall and Soffit Applications

Features and Benefits

- Recessed panel rib minimizes insulation compression and provides a “semi-concealed” fastener application for aesthetics and uniformity in wall panel pattern.
- 36" panel coverage with 1⁵/₁₆" recessed rib depth and mid-rib “butterfly” for economy of erection and in-place beauty.
- Carries a full 35 year paint finish warranty when ordered in one of the standard **ULTRACOTE*** colors.
