- All other gages and colors are special order with extended lead times and minimum quantity requirements.

Traditional Panel Profile and Specifications

Soffit and Liner Panel Applications

Features and Benefits

- Flat pan, concealed fastener panel with optional stiffener pencil ribs available.
- 12" panel coverage with 1 1/2" depth for in-place beauty and strength. The panel should not be used with insulation greater than 1 1/2" thick. Girt banding is recommended to reduce potential waviness in panel flat.
- Carries a full 35 year paint finish warranty when ordered in one of the standard **ULTRACOTE*** colors.

* ULTRACOTE is a Kynar 500® or Hylar 5000® resin system. Kynar 500 is a registered trademark of ATOFINA Chemicals, Inc. Hylar 5000 is a registered trademark of Ausimont U.S.A., Inc.
